EDUCATION

MCA (Master of computer application)
GD Goenka University · Gurgaon, Haryana · 2024

BCA (Bachelor of computer application)
MDU University · Rohtak, Haryana · 2022

EXPERIENCE

Full stack java development trainee
QSpiders   Feb 2024 - Present, Gurgaon Haryana India

· Mastered Java, Oracle SQL, and front-end technologies including HTML, CSS, and JavaScript.
· Mastered Object-Oriented Design (OOD) and implemented complex Java-based applications.
· Designed and developed a normalized Oracle database schema as part of the training project.
· Mastered version control using Git and collaborated on projects utilizing GitHub, while honing skills in Java development with Eclipse, enabling the ability to contribute to complex projects with a team of seasoned developers.

SKILLS

Languages: Java, HTML, CSS, JavaScript
Databases: MySQL, Oracle SQL
Tools: GitHub, Eclipse, Intellij

PROJECTS

RecipeApp
GD Goenka · https://github.com/I-ManishSharma/RecipeApp-Manish
· Developed a dynamic recipe search web application using HTML5, CSS3, and JavaScript.
· Successfully integrating with a third-party API to fetch and display recipes, enhancing user experience and engagement.

Hotel Management System
GD Goenka University · https://github.com/I-ManishSharma/Hotel-Management-System
· Engineered a robust console-based hotel management system utilizing Java Swing for UI design and MySQL for database integration, facilitating the management of employee records, customer reservations, room pricing, and occupancy tracking, enhancing the hotel's operational efficiency.

CERTIFICATIONS

Web Development and Designing
INTERNPEDIA · 2023
· Through this program, I've gained hands-on experience in creating stunning websites using HTML, CSS, and JavaScript.

Basics Of Java
Coding Ninjas · 2022
· Through this program, I've gained hands-on experience in java and object-oriented programming.

ACHIEVEMENTS

· Demonstrated proficiency in SQL by earning the SQL 50 Badge from Leet Code.
· Earned the 50-Day and 100-Day Badges on Leet Code, demonstrating consistent practice and growth in problem-solving skills.
· Received a recommendation letter from Internpedia, acknowledging exceptional performance during a web development internship.
